

PCMH 1G4 This is the program that educates providers on how to refer patients to Children's Healthcare Obesity program.

Dear Kids Health First Providers,

Congratulations!! Over 84% of our Kids Health First Providers are now Strong4Life certified! If you recall, the Board of Directors required 50% of providers in each practice to become Strong4Life certified by May 15, 2012. Since that time, the Board has reevaluated the S4L Program and has elected to require that **100% of all KHF providers become Strong4Life certified by the end of 2012.**

If you would like to register to complete training please visit the Strong4Life training website by visiting: <http://www.choa.org/s4lprovider>

topics

Children's next training session is scheduled for:

**Upcoming Strong4Life Provider Trainings**

June 13<sup>th</sup>, 2012 – Children's Office Park

Building 1680

Classroom 3

6:30-8:00pm

date

Lastly, Kids Health First has created a Maintenance of Certification Program (MOC) centered around Strong4Life. The program is scheduled to launch in August 2012. If you are interested in participating please let me know. We will be communicating more information as the program particulars develop.

Please feel free to contact me if you have any questions.

Dear Ally, **We required all of our providers to attend.**

Congratulations! Our records indicate that all of your providers are Strong4Life certified! As you know, the Kids Health First Board of Directors are requiring that 100% of Kids Health First providers, including mid-levels, become Strong4Life certified by the end of 2012. Currently 84% of KHF Providers are Strong4Life certified.

FirstName	MiddleInitial	LastName	Degree	Practice Name	Strong4Life Certified 1=yes,	Total Providers in practice	Date Certified
